2014-2015 AASFAA EXECUTIVE BOARD AND COMMITTEE REPORTS

EXECUTIVE BOARD POSITION/COMMITTEE NAME:

NAME: Phillip Nelson/President Elect/Fall one day workshop

DATE: 04/15/2015

Summary of Activity (include relationship to goal, bylaw or p&p, if applicable):

Greetings AASFAA Members,

I am enjoying my year as President-Elect. I hope everyone enjoyed the fall workshop held at Auburn University- Montgomery. I want to thank Anthony Richey and all the AUM family for being gracious host throughout the years. AUM has treated AASFAA well over the years. I met with the program committee in January and they have spent many hours putting together a great program for our spring conference. I am looking forward to the changes we have made to our agenda in trying to serve our association better. I want to say a thank you to the program committee for all the hard work that goes into preparing for a conference. I also want to thank Stephanie for all her hard work this past year in working with the P&P and the bylaws to assure that they matched in all areas of what we do as an association. Always remember that what we do as an association helps to shape young people's lives and that we can have a positive impact on the lives of our future. I am proud to be a part of an association that strives to make the world better by providing assistance in higher education. God Bless you all and I look forward to our spring conference.

Kindest Regards,

Phillip
