Call to Order

Our 2005-2006 President Buddy Jackson called the meeting to order at 11:15 a.m. Buddy began by thanking everyone for their work in rebuilding the finances of the organization during the past year.

Buddy thanked the new Committee Chairs for their cooperation and willingness to work and requested that each Committee Chair select their own committee members. He also requested that each Committee Chair talk with all of the members of AASFAA and ask them to get involved in the organization.

Buddy requested that each officer and Committee Chair develop two goals and objectives by August 1st. He stated that the By-Laws and Policy and Procedures Manuel were not as detailed as they should be, as to the duties and responsibilities of each position. He requested that each member complete a more detailed listing of the actual duties and procedures of their position by the year end.

Buddy stated that at each Executive Board Meeting, each officer and Committee Chair shall present a written report and limit his or her oral report to ten minutes.

Buddy stated again that we needed to get the membership more actively involved. James Berry suggested that the association send letters to the Chancellor and Presidents requesting that the schools allow their financial aid employees to attend the conferences. Buddy requested that everyone think about other ideas that could be used to encourage a more active membership.

Buddy requested that the Local Arrangements Committee design a ribbon to be given to each New Aid Officer to assist other members in identifying these new members. Also, he requested that the Local Arrangements Committee wear a badge or ribbon to help members determine who they should go to with their questions.

Buddy closed the meeting by asking the members for their support and guidance throughout the next year and thanked everyone for their commitment to AASFAA.

Meeting adjourned 11:35 a.m.
